IMUN Japan Discovery Tour

"I had the most incredible experience during the IMUN Japan Discovery Tour. Not only did I get to explore the rich culture and history of Japan, but I also had the opportunity to engage in stimulating discussions with fellow participants from around the world. The guided tours were insightful, and the cultural exchanges were eye-opening. Thanks to IMUN, I gained a deeper understanding of international relations and formed friendships that will last a lifetime. I highly recommend this tour to anyone seeking a truly immersive and educational experience."

IMUN Korea Discovery Tour

"My time on the IMUN South Korea Discovery Tour was nothing short of amazing. From visiting iconic landmarks to experiencing the vibrant energy of South Korean cities, every moment was filled with excitement and learning. The university campus tours were particularly enlightening, offering valuable insights into the academic landscape of South Korea. But what truly made this tour unforgettable was the opportunity to interact with local communities and engage in cultural activities. IMUN has truly created a platform for global citizens to come together, learn, and grow. I am immensely grateful for this enriching experience."

- Mohneesh Bhardwaj, Participant of IMUN South Korea Discovery Tour
